## Arithmetic In Find

This is the template for INHERITED pages

<columns 100% 4% 48%>

DO NOT PLACE TEXT HERE

<newcolumn>

### Problem/Limitation Description

Arithmetic operations with dates are not supported in **FIND** action, for example using the following will not work:

```
FIND Account WHERE Account.Date=CURRENT_DATE-1
```

<newcolumn>

### Work Around

Use functions with dates (such as **DATE\_ADD**) instead of arithmetic operations, for example:

```
FIND Account WHERE Account.Date= DATE_ADD(CURRENT_DATE, -1)
```

<newcolumn> </columns>
