Report Band Resizing In Mac ..... 2

[Known Issues,, Report Designer,, Bands,, Mac](#)

This is the template for INHERITED known issues pages - add a tag to Issue: to allow this to show on the tagged page

## Report Band Resizing In Mac

This is a spacer column

### Problem/Limitation Description

Dragging bands in Report Designer to change their height is not supported on Mac OS X

This is a spacer column

### Work Around

Hold down Apple key and click on the band's header to bring up the bands property dialog. Specify the height of the band in the dialog
