[Manuals, Getting Started](#)

Introduction

This document describes the basic steps required to configure, test and deploy applications using **Aware IM**.

The more detailed description is provided in the [Aware IM User Guide](#). The examples of sample applications are provided in the [Quick Tour](#) and [Configuration Case Study](#) documents.

The following description assumes that **Aware IM** has been installed and the **Aware IM** Server has been started (see the [Aware IM Installation Guide](#) for details).
